Time off _____

Time on _____

Total time _____

CDX Tasksheet Number: C168

1. Locate "disable vehicle SRS system" in the appropriate service information for the vehicle you are working on.
 - a. **List or print off and attach to this sheet the safety precautions to be taken when disabling the SRS system:**

 - b. **List or print off and attach to this sheet the steps to disable the SRS system:**

 - c. **List or print off and attach to this sheet the steps to enable the SRS system:**

2. Have your supervisor/instructor verify your listed procedures. **Supervisor's/instructor's initials:** _____
3. Disarm the SRS system.
4. Have your supervisor/instructor verify that the SRS is disabled. **Supervisor's/instructor's initials:** _____

NOTE You may want to consider skipping to task C169: Remove and replace steering wheel; center/time supplemental restraint system (SRS) coil (clock spring) since it requires disabling the SRS. Return to this step when you complete that task and re-enable the SRS.

5. Following the specified procedure, enable the vehicle's SRS.
6. Have your supervisor/instructor verify satisfactory completion of this procedure, any observations found, and any necessary action(s) recommended.
